

“Dad,” said the son desperation in his voice. “Life is so complicated. I’m worried how will I succeed in business, raising a family, health, and most importantly, in the spiritual aspects of life so that I eventually have true success forever in Olam HaBa. You’ve taught me so many ways to succeed in each and every area but it’s very hard to work on so many different things. Is there any way you could give me one thing I can work on in life that alone will insure my success in all the above areas, which will take care of me in this world and the next insuring my success in all areas forever?”

How lucky we are! Our “Dad” did give us one way! As Chazal tell us:
For Your salvation I await Hashem! (Bereishis 49:18)

Rav Yitzchok said: Everything is attained through kivuy (awaiting)! [This means that even if one isn’t worthy he merits all the gifts in the merit of kivuy, which means Emunah and Bitachon – Eitz Yosef in the name of Netzer HaKodesh] Afflictions are (removed) through kivuy! Kiddush Hashem is through kivuy! Zchus Avos is through kivuy! Olam HaBa is through kivuy! (Bereishis Raba ibid)
