

## 10 WAYS TO ENHANCE OUR ANTICIPATION FOR THE ULTIMATE REDEMPTION

1. Focus on **Hashem's constant involvement in our personal lives**, in order to appreciate His care and concern for all aspects of our existence.
2. Review the open miracles performed by Hashem in the past, as described by *Chazal*, as a stepping stone to internalize that the Ultimate Redemption is surely not beyond His capability.
3. Appreciate the fact that all physical pleasures that we engage in now are fleeting, while **having a genuine relationship with Hashem is the beginning of eternal delight**.
4. Recite the *Ani Maamin's* each day to instill in ourselves the knowledge that **the Geula will come**.
5. Focus on *Kedusha of Shacharis* on Shabbos to notice that close to 2,000 years of exile have not removed the yearning and anticipation for Hashem to bring the Ultimate Redemption.
6. Notice that the power of singing enhances our feelings and focus during *Kedusha*, and then **incorporate those feelings into our lives through other songs of Bitachon**.
7. Picture the serene state of affairs that we will have at the time of the *Geula*, in order to strengthen our conviction and yearning for its oncoming.
8. Channel our physical restraints on *Tisha B'av* to feel the pain that we have had in *Galus* for close to 2,000 years.
9. Understand that the terrible pain that people are suffering throughout the world is a prerequisite for the *Geula*.
10. Appreciate the fact that our **Loving Father in Heaven is constantly involved in our lives and He is eagerly waiting, so to speak, to bestow kindness upon all of us**.
